RODENT PREVENTION DEVICES

**4" Standard
RatGate**
for standard
drainpipes

**4" Liner
RatGate**
For drainpipes
that have been
lined

RatGate is a non-return device that stops rats from entering properties via the drainage system, whilst still allowing waste water to flow freely

Easy to Install

Only basic tools are required to install a RatGate

Universal Fit

Designed to fit clay, plastic and cast iron drainage pipes

Multi-Directional

A RatGate can be fitted in either the up or down stream direction of flow

Environmentally Friendly

RatGate is a humane, poison free and environmentally friendly device
